Service & pricing overview

Spain 2025

AS INTEGRAL is an development & design studio founded in 2016, known for its personalized and comprehensive approach to each project. We specialize not only in creating sleek, thoughtful, and contemporary concepts, but also in providing complete solutions for interior finishing and turnkey renovations. By understanding our clients' desires, we deliver well-founded results from concept to completion. We value the balance between functionality and elegance, believing that well-considered design and execution are the foundation of an exceptional home.

A woman with blonde hair is sitting on a light-colored sofa, seen from the side. She is holding a cup and looking out a large window. The room is modern and stylish, with a lamp, a coffee table, and patterned pillows. The text 'Service' is in the top left, and 'FROM DESIGN TO DAILY HARMONY' is in the center. A paragraph of text is at the bottom left, and another line is at the bottom center.

Service

FROM DESIGN TO DAILY HARMONY

We provide a complete service — from the idea of moving to Spain and purchasing a home to receiving the keys in hand. Together with our interior designer and professional construction team, clients enjoy a seamless creative journey where every detail is thoughtfully crafted.

From design to daily harmony, we turn a house into your perfect home.

Pricing overview

Let's take a closer look at a standard pricing package for a 100 m² apartment in Valencia, complete with a full design project.

This price is based on a standard apartment and typical design solutions. For more complex projects like a custom house or a detailed office space, we provide an individual quote.

What does the price include?

Initial meeting at our office — defining the design brief and signing the contract

On-site visit for precise measurements

Conceptual design project

3D visualization

Technical drawings

Selection of materials

Start of renovation

Purchase and delivery of construction materials

Finishing and renovation works carried out strictly according to the project

Final finishing

Furniture selection and interior styling

Turnkey handover!

Complete Pricing: Design and Fit-Out

650 €/m²

*Our pricing also covers the services of a licensed architect — securing the building permit and verifying full compliance of the project with all regulations.

Our key advantage is simple:

You bring us your idea, and we deliver a turnkey apartment or house with bespoke designer finishes. No stress, no wasted time, no endless search for contractors — **just your dream home brought to life.**

See our working process in action

Right from our very first meeting, we set up a completely transparent and legally sound working process. Every stage of the project, from the initial concept to the final drawings, is laid out clearly in an official commercial proposal, so both of us can be totally confident in the process.
